

THE TIGER CUB TOTEM

EARNING THE TIGER CUB TOTEM

To begin his path towards the Tiger Cub rank, a boy must do three things. They are:

1. Learn the "Cub Scout Motto" (The MOTTO is: "**Do Your Best** ")
2. Learn the "Cub Scout Sign"
3. Learn the "Cub Scout Salute"

When he has done these, he is awarded the Tiger Cub totem at a pack meeting. This is a plastic recognition device that he wears on his shirt pocket. The front side of the totem is emblazoned with a tiger paw print. The lower end of the totem includes space for four strands for totem beads. A boy earns totem beads by working on the five Tiger Cub achievements.

THE CUB SCOUT SIGN

- Make the sign with your right hand and your arm held straight up.

THE CUB SCOUT SALUTE

- Salute with your right hand.
- Keep the two straight fingers close together.
- Touch the tips of those fingers to your cap, or if you are not wearing a cap, touch your eyebrow.
